Chicks must be ordered with a minimum of 6 per arrival date. Any order not picked up within 4 days of arrival will be sold on a first come, first served basis. Quantity is subject to availability. Ithaca Agway is not responsible for chick fatalities caused by improper care or forces of nature, including inadequate brooder temperature, lack of water or feed, predation, excessive handling, or any form of neglect. No chick replacement will be offered in these circumstances. If you have any questions about caring for your chicks, we are happy to answer any question in-store or by phone.

All chicks are vaccinated for Marek's Disease with the exception of very small chicks such as bantams and Guinea keets.
