Chicks must be ordered with a minimum of 6 per week. Any order not picked up within 4 days of arrival will be sold on a first come, first served basis. Quantity is subject to availability. Ithaca Agway is not responsible for chick fatalities caused by improper care or forces of nature, including inadequate or excessive brooder temperature, lack of water or feed, predation, excessive handling, or any other form of neglect or abuse. No replacement will be offered under these circumstances. If you have any questions about caring for your chicks, we are happy to answer any questions in-store or by phone. All chicks are vaccinated against Marek's disease except very small breeds such as guinea keets and bantams.
